Personal Statement

I have worked for a number of international architectural companies on various types of projects. I have moved to Wellington, New Zealand from Serbia's capital, Belgrade, to broaden my horizons both professionally and personally. I am a confident and reliable person. I want to utilise my knowledge and skill set, and develop in my career.

Skills and Experience

- Proficient CAD software user: **3ds MAX, AutoCAD, ArchiCAD, Photoshop**
- Involvement in projects from concept to completion
- Great interpersonal skills, experience liaising with clients, contractors and consultants
- Positive working relations actively built and maintained
- Effective time management
- Fast and committed learner who can maintain a high standard throughout all tasks
- Analytical thinking and attention to detail
- Excellent written and oral communication
- Proven ability to work successfully in a team or efficiently on my own
